The tradition of the graduating class voting for the Senior Hall of Fame has been carried on for many years at Jenkin's High. In the passed years Senior Hall of Fame has been known as Who's Who and Senior Favorites. The class of '72 voted for their classmates that best suited the title and a final vote was taken between the two boys and the two girls who received the most votes for each title from the primary election. Though each Senior was not selected for a special title, each person will be remembered as an individual.
